I. THE SPIRIT OF CLARKDALE AWARDS PROGRAM

The Spirit of Clarkdale Awards Program provides a way for the Clarkdale Town Council to recognize Clarkdale home and business owners, residents and other individuals that have taken steps in the community which are worthy of recognition. Awards are made by the council from nominations that have been recommended by the Spirit of Clarkdale Awards Committee. Anyone may nominate Clarkdale residents, property owners, business owners, or individuals they feel deserve recognition for projects or actions that enhance the “Spirit of Clarkdale”.

Award Categories

- ❖ Sustainable Clarkdale
- ❖ Property Beautification
- ❖ Historical Preservation
- ❖ Neighborhood Programs/Events/Projects
- ❖ Community Volunteerism

Eligibility Requirements

Town of Clarkdale residents, neighborhoods, groups, businesses, and other individuals who have undertaken a project, program, or activity that creates an overall positive impact on the Town of Clarkdale are eligible to be nominated for the Award. II. AWARD CRITERIA

Sustainable Clarkdale Category

All nominations must explain the project and the selected criteria completed that promote, enhance and support the Sustainable Clarkdale Initiative. Nominations should reflect one or more of the 3 pillars of sustainability: Social, Economic or Environmental; and be in keeping with our accepted definition of sustainability: “Practices which meet the needs of the present without compromising the ability of future generations to meet their own needs.” Some sample projects might include:

- Projects that promote the conservation of natural resources.
- Installation of renewable energy in Clarkdale.
- Projects that enhance the economic sustainability of Clarkdale.
- Projects or programs that provide educational opportunities on sustainability issues.
- Innovations in sustainability.
- Ensuring cultural sustainability - developing, renewing and maintaining human cultures that create positive, enduring relationships with other peoples and the natural world.

Award consideration will be based upon projects completed using one or more of the following criteria:

Criteria:

- Future and long-term oriented
- Aware of ecological and resource limits
- Regional as well as local implications
- Concerned with creating diverse and balanced communities
- Inclusive of social equity and well-being
- Use of partnerships to strengthen viability
- Ability to be replicated

Property Beautification Category

All nominations must explain the project and the selected criteria completed to beautify the property. Applicants should attach before (if available) and after photos of the project with this application. Award consideration will be based upon projects completed using one or more of the following criteria:

Criteria:

- **Architectural Merit** - The architecture and design is visually compatible with the buildings, structures and places in the immediate vicinity.
- **Material, Texture and Color** – Demonstrates use of materials, textures, and colors which are visually compatible with the immediate vicinity.
- **Architectural Details** - Doors, windows, eaves, cornices and other architectural details of a building or structure are visually compatible with buildings and structures to which they are related.
- **Landscaping** - Landscaping is aesthetically pleasing and focuses on low water use and drought tolerant vegetation, as recommended on the Town’s Native Vegetation list.
- **Landscaping – Water Conservation** - Landscaping is aesthetically pleasing and focuses on low water use.
- **Lighting** - Any on-site illumination is architecturally compatible to the overall project, meets the Town’s lighting regulations, and does not create a negative or visually detrimental effect on the building or neighboring properties.
- **Improved Aesthetics** – The general nature of the project improves the aesthetics of the project site, and/or the neighborhood or area in general.

Historical Preservation Category

All nominations must explain the project and the selected criteria completed to retain or enhance the historical preservation of the property. Applicants should attach before (if available) and after photos of the project with this application. Award consideration will be based upon projects completed using one or more of the following criteria:

Criteria:

- Did the project preserve historic culture and/or resources?
- Did the project protect and preserve archaeological resources of significance?
- Does the project encourage historical preservation?
- Did the project preserve, restore and/or rehabilitate historic architectural resources?
- Did the project revitalize a historic center/neighborhood?
- Was the property in danger of being demolished?
- Did the property ever play a documented role in the history of the town?

Neighborhood Programs/Events/Projects Category

All nominations must explain the project and the selected criteria completed to retain or enhance a neighborhood. Award consideration will be based upon projects completed using one or more of the following criteria:
