MADE IN CLARKDALE'S CORNER GALLERY HOSTS "TORCH DAY" GLASS WORK DEMONSTRATIONS

One of the favorite demonstration events of the Made In Clarkdale Art Show has been Michael Turner's glass work. This year, the 'Corner Gallery' will be hosting this event as, "Torch Day" on Saturday, September 21 from 12:00PM to 4:00PM.

Michael Turner will demonstrate his glass working techniques along with other special guest glassworkers. Michael will be making marbles, beads, and his mermaids, as well as discussing his process and methods in working with glass. This is your chance to see one of the key demonstrations of art forms for the Made in Clarkdale Show in our new venue.
