Re: Town of Clarkdale Website Failure

The Town of Clarkdale Website was temporarily out of service from October 6, 2007 to October 9, 2007. Access to the website resumed on Tuesday afternoon, October 9, 2007.

Interruption of service was due to technical problems at the Town of Clarkdale's Internet Service Provider, Wild Apache, Inc. P.O. Box 27628, Tempe, AZ 85285.

We apologize for the inconvenience.

Should have any questions or comments please contact Town Hall at (928) 634-9591 or email townhall@clarkdale.az.us.
