TOWN OF CLARKDALE

MAY 2017

## ROUNDBABOUT CLARKDALE

### YARD SALE SIGNS

This time of year yard sale signs seem to be as prevalent as spring wildflowers. Here are a few dos and don'ts:

- Do include the date and address of the sale on the sign
- Do place signs on private property and **NOT** in public right-of-way.
- Do not attach to street signs, utility poles or traffic control devices.
- Do remove within 72 hours of placement.
- Do not make signs larger than 4 square feet.
- Do secure or add weights so the signs do not take flight.

Contact the Community Development Department at (928) 639-2500 with any questions.

## IT IS PARTY TIME!

**Summer Block Parties are back on Main Street in Clarkdale. Join us on May 26<sup>th</sup>, June 30<sup>th</sup>, and July 28<sup>th</sup> for food, beverages, live music and fun.**

## CLARKDALE HISTORICAL SOCIETY AND MUSEUM NEWS

A big shout out to the many volunteers who helped make the 8th Annual Clarkdale Historic Building and Home Tour a great success! Another big thank you goes to the fine cast members of the Clarkdale Bank Robbery of 1928! Without these loyal volunteers for both events, we would not be able to offer this look into our own special Clarkdale history. We are indeed grateful for the commitment and hard work put forth by our special volunteers! THANK YOU!

Our bookstore features a brand new book hot off the press...Images of America Series: TUZIGOOT NATIONAL PARK by Rod Timanus. This is the newest book featuring the history of this ancient village built by the Sinagua people. A recent book signing was held at the park where we partnered with the park staff to present Clarkdale Historical Society and Museum and the history that we both share with our visitors. Please stop in to get your copy now! We are open six days each week, thanks to our volunteers!

Also, check out our newly designed website created by Nick of Time Productions. Thank you, Nick and Deb!. [Clarkdalemuseum.org](http://Clarkdalemuseum.org).

## VOLUNTEERS NEEDED

## DROUGHT & WATER SHORTAGE PREPAREDNESS PLAN

Under the Town of Clarkdale's water ordinance, Drought and Water Shortage Preparedness Strategy Level I is automatically in effect from May 1<sup>st</sup> through September 30<sup>th</sup> each year. With that in mind, effective May 1, 2017 @ 12:01 a.m., The Town of Clarkdale will move into Demand Reduction Strategy I "Water Alert". **The following measures are mandatory:**

1. Water shall be conserved both inside and outside the home using best practices available to minimize waste.
2. Landscaping for residential uses shall be accomplished with plant materials that require little or no supplemental irrigation water.
3. Outdoor water usage shall not occur between the hours of 9:00 am and 5:00 pm. Watering days shall be coordinated with your address. Even numbered addresses may irrigate on Wednesday, Friday and Sunday. Odd numbered addresses may irrigate on Tuesday, Thursday, and Saturday. For places where there is no discernable address, the even date schedule should be followed (right-of-ways, medians, etc.). No irrigation shall be allowed on Monday.
4. Automobile washing shall only be undertaken with a bucket and hose with shut off nozzle, other water saving devices such as a pressure washer, or at carwashes that recycle or re-circulate water.
5. No person shall waste water.
6. Cooling of outdoor areas with water or misting devices is prohibited.
7. Restaurants shall serve water to customers upon request only, and shall display table tents or other types of public notice to this affect.
8. Hotels shall wash a customer's linens if a stay is in excess of one night on request only, and the hotel shall display notice to this affect.
9. Construction projects are required to use reclaimed water or effluent for construction and dust control purposes.
10. Requests for Commercial Provisions must be made to the Clarkdale Utilities Director.

All Demand Reduction Strategies of the Plan are enforced by the Town of Clarkdale Utilities Department. Violations of this Plan shall result in the following surcharges:

- A surcharge of \$25.00 (twenty-five dollars) shall be assessed to the account of record for a violation of **Demand Reduction Strategy I "Water Alert"**, pursuant to Town Code Section 19-11-7.
- Surcharges shall double for every repeat violation that occurs within a calendar year.

Updates to Resource Status Levels and Demand Reduction Strategies will be posted on the Town's website: [www.clarkdale.az.gov](http://www.clarkdale.az.gov). Signage is also in place throughout the Town providing notice of the prevailing Demand Reduction Strategy Level (Strategy I = "Water Alert"; Strategy II = "Water Emergency"; Strategy III = "Water Crisis").

Contact the Town of Clarkdale Utilities Department for questions or more information at 928-639-2520.
