TOWN OF CLARKDALE

SEPTEMBER 2017

ROUNDAABOUT CLARKDALE

Keeping your business local can be a challenge in a small town. You can shop regionally and still support the local economy. Dollars spent with a company from a neighboring community returns to the local economy through taxes, employee spending and owner investment. This month we feature two locally owned regional businesses doing work in the Town:

Biddle's Pool-Spa-Patio

Northern Arizona's headquarters for creating beautiful, relaxing and fun outdoor spaces. They offer full design of pools, landscaping and sunrooms, shade structures, outdoor

entertainment areas, and BBQ islands. They are located at 2370 W. State Route 89A in Sedona. (928) 202-4900. www.biddlespoolsapatio.com

Tierra Verde Builders

Local residential and commercial General Contractor specializing in new construction as well as remodels. They have the knowledge to guide your project from start to finish. They are located in Camp Verde. Call (928) 567-2477 or visit their website at www.tierraverdebuilders.com

Contact Community Development (928) 639-2500 with any questions or if you would like your Clarkdale business featured in our monthly article.

TAPCO Celebrates 100th Anniversary!

Mark your calendars for **Saturday, September 16,** at 2:00 pm at the Men's Lounge in Clark Memorial Clubhouse.

To hear some truly *electrifying* stories, join historian Tim Coons for a celebration of the 100th anniversary of The Arizona Power Company. Located just 3 miles north of Clarkdale, the steam plant was built to meet the growing need for power for the mining industry in the Verde Valley. Photos, artifacts, documents and stories from those who lived or worked there will be presented.

There is no admission for this great opportunity to learn more about our local history from an expert! Donations are encouraged which help support your local history museum. Call 928-649-1198 for more information. We are open Wednesday through Sunday 11:00 to 2:00.
