

TOWN OF CLARKDALE COMMUNITY SERVICES 2018 CONCERTS IN THE PARK

Thank you for your interest to perform in Clarkdale's Concerts in the Park. To give you a little history and background...

The Town of Clarkdale has been providing enjoyable free concerts since 2001. Every concert is geared to provide an evening of family fun for all ages to enjoy. Concerts are performed from the Clarkdale Town Park Gazebo located at 1001 Main Street and are **FREE** to the public. Our concert series is held from the beginning of June through September and performances are two (2) hours; with a 15 minute break at the half-way mark. Since the economic downturn in 2008, the concerts have been fully funded from the 50/50 raffles held at each concert. These funds cover the cost of the performers along with operations so it is important for us to keep the costs as minimal as possible.

Concerts are well attended, typically drawing around 400 people in our small community of 4,000 with our highest attendance being approximately 1,000.

Due to the popularity of our concerts, the high number of bands that want to perform and the limited number of concerts offered each season, the selection process was formalized in 2015.

The 2018 Concert dates have been scheduled. They are as follows:
