Traffic

Collisions are up 43% first four months of 2012 over 2011.

Traffic enforcement activities are down significantly: *The Police Department is taking steps to increase enforcement activities by officers, while exercising care that these activities focus on making the streets safer and not on simply increasing the number of traffic stops, citations and warnings.*

Crime

Overall, there have been no Index Crimes Against Persons this year, and total minor crime and other offenses is down 12.1%.

Burglary is down dramatically -- 62.5% (6 vs 16) first four months of 2012 over 2011: *The Police Department crime prevention emphasis at community meetings, in Small Talk articles, and through the media has focused on measures our residents can take to reduce the opportunity for vehicle burglaries, the primary problem in Clarkdale.*

Theft is up 136% (26 vs 11 thefts reported) this calendar year over the first four months of 2011: *The Police Department is analyzing each incident of theft to determine if there is a common element in the increase, and formulating a plan to deal with it.*
