## **FOR IMMEDIATE RELEASE** – Town of Clarkdale Main Street Water Line Replacement Project

**Clarkdale — January 22, 2008** – Johansen Construction will begin replacing the old waterline in Ninth Street and Main Street the week of January 20<sup>th</sup>. The work will impact Ninth Street approximately one block north and south of Main and Main Street from Ninth Street to Seventh Street as shown on the attached map. Traffic will be maintained; however only one lane will be open at times and delays can be expected. Work hours will be 7:00 a.m. to 5:30 p.m. Monday through Thursday. The project is scheduled for completion the end of March 2008.

The project replaces old 6” diameter water lines that are in poor condition with new 12” diameter pipe that will reduce water system maintenance requirements. Questions regarding the project should be directed to the Clarkdale Utilities Department at 928-639-2520.
