Clarkdale Drought & Water Shortage Preparedness Plan (DWSPP)

The Town of Clarkdale is conducting a series of **Community/Neighborhood Meetings** to inform residents and business owners about the Drought & Water Shortage Preparedness Plan (DWSPP) which was adopted November 14, 2006. The DWSPP contains three (3) different Water Demand Reduction Strategy Levels requiring compliance based on specific levels of water capacity and/or during months of warmer temperature, as defined in three (3) different Resource Status Levels.

'Strategy Level I' of the DWSPP will be in effect from May 1 to September 30.

Town staff will be presenting information in an easy-to-understand format, handout information will be available, and all questions are welcomed. Please join us.
