FOR IMMEDIATE RELEASE:

The Town of Clarkdale is currently in the process of developing a Parks and Recreation Strategic Plan and is seeking input from Clarkdale residents. On March 28th a Parks and Recreation-Library Survey was mailed to all Clarkdale postal patrons along with the Town of Clarkdale's Drought and Water Shortage Preparedness Plan informational pamphlet. Parks and Recreation would like to encourage all Clarkdale residents to take the time to fill out and return the survey by April 23rd. The parks and recreation section results will be implemented into the final Parks and Recreation Strategic Plan which will guide the Town in the planning and development of parks and recreation facilities and programs. A draft of the Strategic Plan is available to view at www.clarkdale.az.us/currentprojects.html. If you are a Clarkdale resident and did not receive the Parks and Recreation-Library Survey copies are available at Town Hall located at 890 Main Street, Clarkdale, Arizona, or are available on the Town website at: www.clarkdale.az.us. If you have questions or would like more information please contact Dawn Norman, Parks and Recreation Supervisor, at (928) 634-9591 or by email: dawnn@clarkdale.az.us.
