Clarkdale Police Department has two new patrol cars

Clarkdale Police Department was able to purchase two new vehicles through funding from the Governor's Office of Economic Recovery, established by Governor Brewer who oversees and discharges funds granted under the American Recovery and Reinvestment Act of 2009 in the amount of \$35,000.00. Additional funding of \$10,000 was received from the Yavapai-Apache Nation's distribution of their 2009 Proposition 202 gaming revenues.

The first vehicle was patrolling the streets of Clarkdale this week; the second vehicle will be ready in a few weeks. The new vehicles are outfitted with state of the art equipment.

- In car digital recorders with monitoring screen built into rear-view mirror, with control panel built into mirror
- Fully digital LED light bar, which pulls less electricity and have a reduced lifetime maintenance costs.
- Two locking rifle racks are installed in the cab of the car, instead of one in the trunk and one in the cab.
- New radar system, which is capable of picking out the fastest car in a group of cars, this will be beneficial on multi-lane roads.
