Su Casa Burglaries

Clarkdale, Arizona

Over the past three months, the Su Casa restaurant in Clarkdale has been burglarized by unknown persons. Each time, the suspect(s) broke an exterior window or door to gain entry. Once inside, the suspect(s) stole 750ml bottles of alcohol.

On October 27th it appears that the suspect(s) may have cut themselves when gaining access through the broken window and as a result, officers were able to secure blood from the scene as evidence. Now they are looking for help in identifying a possible suspect.

On December 28th the suspect(s) took the largest haul to date, stealing 14-16, 750ml bottles of alcohol, to include such brands as Jose Cuervo Gold, Patron Gold, Seagram's V.O., Jack Daniels, Wild Turkey, Southern Comfort, Smirnoff, Bailey's Irish Cream, and Tanqueray. Due to the large number of bottles stolen, it is believed that there was more than one individual involved.

It is believed the crimes took place sometime between the hours of 11pm and 4am.

Anyone with information is asked to contact Yavapai Silent Witness at 1-800-932-3232 or the Clarkdale Police Department at 928-649-7700.
