ACES N EIGHTS is a popular cover band based in northern Arizona. The professional 4 member group performs a repertoire ranging from 60's to today's favorites, with a little blues, funk and country thrown in to satisfy everyone. Each of the members has brought their own flair to the stage. Martin Etcheverry would be considered the leader of the group, playing lead guitar and also adding vocals, he is considered the "blues man", Tim Myers on drums is the "funk soul brother", Marc Franquero on the bass, is the "soul man" and Laurie Etcheverry, lead vocal and rhythm guitar, is the "rocker girl" but she can sing a country song to make your heart melt. They have a combined experience of over 38 years, and they love what they do! With a diverse variety of music, they strive to please everyone in their audience. Visit their website <http://www.acesneights.org/> for the latest news, appearances and contact information.

The park is located in the center of the town's historic district on Main Street, between 10th and 11th Streets. There is a 50/50 raffle which all proceeds benefit the Concerts in the Park. Remember to bring your own seating and that alcohol is not permitted in the park.
