Clarkdale Parks and Recreation Art Classes

Clarkdale Parks and Recreation is excited to announce the beginning of Fusion Studio Art featuring instructor Hillary Gonzales. Fusion Studio will be offering youth art classes for all ages starting April 14th.

What's Fusion Studio all about? Fusion Studio is all about creativity—letting it run, ooze, transpire into whatever form? It is the opportunity to explore who you are, discover your potential, face artistic obstacles with support, claim ownership to your style and more! You receive professional guidance, individual learning opportunities and personal care in the creative process. Class size is limited and will be on a first come, first serve basis so make sure to register early. Registration is now open through April 1st at the Clarkdale Parks and Recreation office located in the Community Development Building at 39 N. Ninth Street in Clarkdale.

The following classes are six week sessions which run from April 14th through May 19th:

FUSION STUDIO-Bring your artsy mind and get ready to jam! No homework, tests or boring lectures, ART is what we do! The registration fee for Fusion Studio classes is \$85. The classes will be held in the Men's Lounge located in the Clark Memorial Clubhouse.

DOODLES is a "parent and me" class. This class is the toddler structure of Fusion Studio context. This is where the art begins and transpires into something so wonderful. Unique, expressive and simple. Ages 2-5 yrs. plus the participation of an adult. This is a six week session for the cost of \$54.
