**For Immediate Release** – Please run multiple times.

## **Town of Clarkdale Changes Water, Sewer and Trash Billing**

**Clarkdale — March 13, 2008** – The Clarkdale Utility Billing Department announces the following changes regarding utility payments for Clarkdale trash, sewer and water. As of March 17, 2008, all payments for trash, sewer and water will be received at the Town of Clarkdale Utility Billing Department at 890 Main Street, or they can be mailed to Town of Clarkdale Utility billing, PO Box 308, Clarkdale, AZ 86324.

Payments can be made by cash, check, money order and in person by credit/debit card. Clarkdale will not have the ability to process automatic withdrawals in effect with the City of Cottonwood; therefore, a new auto-draft agreement will have to be submitted to the Town of Clarkdale. New auto-draft forms are available in the Clarkdale Utility Billing Office and must be received by April 4, 2008, to avoid any automatic payment disruptions.

Billing for trash and sewer will be moved from the first of the month billing, combined with the water billing and sent at the end of the month. At the end of April you will receive a combined utility bill for your trash, sewer and water charges.

Any questions regarding the Utility Billing changes can be directed to Debra LaFrance or Kathy Cwiok at 928-639-2450.
